1. INTRODUCTION

The **19th edition of InShadow – Lisbon ScreenDance Festival** will take place between the 15th of November and 15th of December 2027 in Lisbon, Portugal. **Submissions can be made** for the Videodance, Dance Documentary, Dance Animation and Photography categories with a focus on the relationship between cinema and dance.

The InShadow Festival promotes an encounter between video/cinema and dance/performance, proposing a reflection on cine-choreographic thinking, exploring new trends and innovative processes in the relationship and dialogue between cultures. It proposes an assimilation of experiences, methods and knowledge, increasing dual relations such as thought/action and creativity/innovation.

Conserveira de Lisboa continues to be one of the **official sponsors**, consolidating the relationship between art, tradition and territory, and the **festival renews its certification from EFFE – Europe for Festivals, Festivals for Europe**, which recognises the artistic quality and cultural impact of the event at European level.
